## SPONSOR AGREEMENT

By donating \$ 75.00 you become a Sponsor of Creative Outcomes for a period of 12 months beginning 10 days after having received your donation. Within 5 business days of having received both, your donation and this signed agreement, we will contact you via e-mail with ad designs for your revision and approval. Delays from your part in providing digital material such as your logo or images needed to create your ad will result in your ad being displayed for less than 12 months.

If you have a predesigned ad submit it to us by email together with this agreement in any of the following digital formats: pdf, jpeg, png or gif with a minimum size of 1042px width and 694px height [to display sharp on retina devices]. We only accept the use of images for which you own copyrights. If you do not have any images, we will acquire the copyrights for suitable images at no extra cost for you.

Your ad will be displayed in a slider on each page and post of our website for the entire 12 months period. Sponsor sliders are of various sizes depending on page layout and design, except on mobile phones where they display same size, adjusting to maximum screen width. If you own a website we can link your ad to your website.
